

## 2025 Scholarship Award

The scholarship team consisting of Kathy Tuttle, Barb, Wilkinson, Chris Ebert and Gary Ebert recommended that this year the club should award the **\$4000 Land O'Lakes Fish and Game Senior Environmental Scholarship** to **Grace Indermuehle**.

Grace has been attending both Northland Pines High School and Nicolet Community College, maintaining a very impressive academic record. Among other activities, for all four years of high school she was on the Student Council, a member of the National Honor Society, a participant in the high school musical, and served as an eight-grade mentor. She has also been a four-year member of the Conover Volunteer Fire Department and was recently certified for wildland firefighting.

Grace will be attending UW Stevens Point, majoring in biology. After graduating from Stevens Point, she is considering working for the Department of Natural Resources or the National Park Service, depending on available positions. She is also considering a teaching career in science.
